

ERRATUM

Open Access

Erratum to: Environmental health and justice and the right to research: institutional review board denials of community-based chemical biomonitoring of breast milk

Dvera I. Saxton^{1*}, Phil Brown², Samarys Seguinot-Medina³, Lorraine Eckstein³, David O. Carpenter⁴, Pamela Miller³ and Vi Waghiyi^{5,3}

Erratum

Unfortunately, the original version of this article [1] did not include in the Acknowledgements section the complete funding information. The following sentence was missing: “This research was made possible in part the following grant “Ethical and Legal Challenges in Communicating Individual Biomonitoring and Personal Exposure Results to Study Participants” from the National Institute of Environmental Health Sciences #1R01ES017514-01A1”.

The corrected Acknowledgements have been included in full in this erratum.

Acknowledgements

Partial support for this work comes from National Science Foundation grant GEO-1032754 (“Northeast Ethics Education Partnership for Research Ethics/Cultural Competence Training”) to Phil Brown. The authors wish to thank the peer reviewers and the editors of EH for their thoughtful comments and suggestions. The Breast Milk Pilot Study referred to in this article was funded by a National Institutes of Environmental Health five-year grant entitled “Environmental Health and Justice in Norton Sound, Alaska” and by an award from the Passport Foundation. All errors and omissions are our own. We are grateful to Susan Pinney for comments on the article. This research was made possible in part the following grant “Ethical and Legal Challenges

in Communicating Individual Biomonitoring and Personal Exposure Results to Study Participants” from the National Institute of Environmental Health Sciences #1R01ES017514-01A1.
